### **Note to Parents:**

Parent requests for healthier snack and breakfast options have been shared with the School Nutrition Services department. Please note that the snack and breakfast items have to be available in bulk quantities and must meet the guideline set forth by the National School Lunch Program.

Whole grain cereals, yogurt, cereal bars and fresh fruit are available daily if you would prefer that your student not eat the hot entrée item.

If your child is struggling with his/her homework, please bring it to the attention of the site director at your child's school. We are happy to provide more homework time or answer questions when needed.

Thank you for your feedback!
