

Put your student on  
course for success  
this summer!

Is your student looking to  
advance to the next level?

Does your student want to  
take a prerequisite course  
during the summer?

Visit: [mvp.mciu.org](https://mvp.mciu.org) to learn  
more about our Course  
Advancement program

Montgomery Virtual Program  
ONLINE LEARNING FOR REAL WORLD STUDENTS

NORTH PENN SCHOOL DISTRICT  
COURSE ADVANCEMENT

#### FLEXIBILITY & CONVENIENCE

Students may access course materials any time (24/7) and anywhere they are connected to the internet. They may even continue to make progress on their coursework during a family vacation. Teacher support is available through email, chat, or scheduled appointments.

#### LOCAL SUPPORT

Students and parents can rely on Montgomery Virtual Program for ongoing support. MVP provides:

- Student orientation
- Technical assistance
- Monitoring of student progress
